

A-MAY-ZING SALE!

Dreamstation Travel Case

The light, hard-fabric case offers a combination of protection and portability. Its compartments fit the DreamStation system and neatly organizes the supplies. The case is designed to make traveling with sleep equipment less cumbersome. Includes a DreamStation 65W power supply. The included USB port can be used to charge items such as a smartphone and other devices.

Mask and Tubing Bedside Organizer

Great at home or on the go - The organizer features a weighted flap to allow it to hang over a nightstand or between your mattress and box spring. It features a zippered compartment for the mask and tubing, making the organizer a great travel companion. The bedside organizer provides a clean, discreet place to store your mask and tubing while not being used and keeps the components dust-free and ready to use.
